Approval of Advanced Practice Educational Programs

- I. Advanced Practice Educational Programs that meet the requirements identified in the Oklahoma Nursing Practice Act (ONPA) and Rules are considered to be approved by the Board for purposes of the individual application under review.
- II. Board staff has authority to approve an Advanced Practice Educational Program after a review to ensure that the ONPA and Rules requirements are met. The advanced practice educational program must be reviewed for each application for advanced practice recognition to ensure the requirements were met at the time the applicant completed the program.
- III. Regulatory Authority: 59 O.S. 567.3a(5)(a)
