SPECIAL MILK PROGRAM, AND/OR AFTER-SCHOOL SNACK PROGRAM**

In order to effectuate the purpose of: (1) the National School Lunch Act, as amended (42 U.S.C. 1751-1760), and regulations governing the National School Lunch Program (7 CFR Parts 210 and 245) and (2) the Child Nutrition Act of 1966, as amended (7 U.S.C. 1771-1785), and regulations governing the School Breakfast Program (7 CFR Parts 220 and 245) and (3) the Special Milk Program for Children (7 CFR Part 215) and Public Law 105-336 authorizing reimbursement for snacks, the Oklahoma State Department of Education Child Nutrition Programs (hereinafter referred to as the *State Agency*) and the School District (hereinafter referred to as the *School Food Authority*), acting on behalf of each school listed on Schedule A of this Agreement, agree to as follows:

The State Agency agrees that, to the extent of funds available, it shall reimburse the School Food Authority in connection with meals and milk served to children in the indicated program(s) in schools listed on Schedule A attached hereto during the effective period of this Agreement. During any fiscal year, the amount of reimbursement paid to the School Food Authority for lunches and/or breakfasts served to children in each school shall not exceed an amount equal to the number of meals, by types, served to children, multiplied by assigned rates, while the amount of reimbursement paid to the School Food Authority for milk served to children in each school shall not exceed an amount equal to the number of half-pints served to children, multiplied by assigned rates.

The School Food Authority and participating schools under its jurisdiction shall comply with all provisions of 7 CFR Parts 210, 215, 220, 225, 226 and 245, as applicable.

THE SCHOOL FOOD AUTHORITY AGREES THAT, for each school listed in Schedule A, it will conduct the indicated program(s) in accordance with the State Agency's policies and the United States Department of Agriculture's (USDA's) regulations and, specifically, will conform to the following requirements in the conduct of each program (unless the requirement is restricted to a particular program):

1. Maintain a nonprofit food service and use revenues received only for the operation or improvement of such food service, except that such income shall not be used to purchase land or buildings or to construct buildings.
2. Maintain full and accurate records of operations under this Agreement and according to State Agency policies and procedures. All records must be maintained at the School Food Authority or at the school site. Retain such records for a period of three years after the end of the fiscal year to which they pertain, except that if audit findings have not been resolved, the records shall be maintained beyond the three-year period as long as required for the resolution of the issues raised by the audit. Records of income (receipts) and expenditures must be kept to show that the food service is a nonprofit operation.
3. Comply with audit requirements as follows:
 - a. For School Food Authorities receiving \$500,000 or more in total federal funds, an organizationwide audit, conducted in accordance with Office of Management and Budget (OMB) Circular A-133, shall be submitted to the State Agency Auditing Section no later than March 31. Failure to submit such required audit shall result in the withholding of CNP reimbursements until the audit is received.
 - b. For School Food Authorities receiving less than \$500,000 in total federal funds, an audit conducted in accordance with Sections 452 through 461 of the School Laws of Oklahoma shall be submitted to the State Agency Auditing Section no later than May 31. Failure to submit such required audit shall result in the withholding of CNP reimbursement until the audit is received.

4. Claim reimbursement at the assigned rates only for reimbursable free, reduced-price, and full-price meals served to eligible children in accordance with the Agreement. Meals served to adults shall not be claimed for reimbursement. Claim reimbursement in the SMP only for milk served in schools and institutions that do not participate in a meal service program authorized under the National School Lunch Act or the Child Nutrition Act of 1966 and/or to preprimary and split-session kindergarten children who do not have access to any school meal service authorized under these Acts.
5. Submit claims for reimbursement in accordance with program regulations. Claims for reimbursement are due by the tenth of the month following the claim month. The State Agency must receive valid claims for reimbursement within 60 days following the end of the month for which payment is claimed to be eligible for payment. Claims for reimbursement received by the State Agency after 60 days are not paid.
6. Ensure that the School Food Authority official (authorized representative) signing or electronically submitting the claim is responsible for reviewing and analyzing meal counts for accuracy. Acknowledge that failure to submit accurate claims will result in the recovery of an overclaim and may result in the withholding of payments, suspension, or termination of the program. Acknowledge that if failure to submit accurate claims reflects embezzlement, willful misapplication of funds, theft, or fraudulent activity, the penalties as prescribed by program regulations shall apply.
7. Make available to the State Agency and USDA for examination and audit at any reasonable time and place all accounts and records pertaining to operations under this Agreement.
8. Limit the net cash resources of its nonprofit food service to a level consistent with program needs and seek State Agency approval when there is a need for a balance of more than three-months average expenditures.
9. Serve meals which meet the requirements prescribed in current regulations during a period designated as the meal period(s). If electing to provide free milk, (a) serve milk free to all eligible children at times that milk is made available to non-needy children under the program and (b) make no discrimination against any needy children because of their inability to pay for the milk.
10. Count the number of free, reduced-price, and full-price reimbursable meals served to eligible children at the point of service.
11. Price the meal and/or SMP milk as a unit, except for nonpricing milk programs where no specific charge is made. The charge for paid meals will be set at an average between the free reimbursement rate and the paid reimbursement, or the district guarantees that the price difference is made up of nonfederal funds.
12. Make meals available without cost or at a reduced price or free milk available to all children who are determined under program regulations (7 CFR Part 245) to be unable to pay the full price.
13. New participating school districts will charge full-price (paid) students the difference between the free reimbursement rate and the paid reimbursement rate for the lunch meal.
14. Make no discrimination against any child because of inability to pay the full price of the meal or milk in accordance with the approved free and reduced-price policy statement.
15. Not forbid the availability of the program(s) as disciplinary action. Meals cannot be used as a reward or punishment.
16. Maintain in the storage, preparation, and service of food proper sanitation and health standards in conformance with all applicable state and local laws and regulations.

17. Accept and use in as large quantities as can be efficiently utilized in its food service program the foods offered as a donation by USDA; and enter into a written recipient agency agreement with the Oklahoma Department of Human Services Food and Nutrition Services for the receipt, handling, and storage of USDA commodity foods.
18. Maintain necessary facilities for storing, preparing, and serving food.
19. Make maximum use of the reimbursement payments to reduce the price of meals and/or milk served to paying children.
20. Maintain food production records, cycle menus, nutrient analyses (if required), etc., supporting that minimum and maximum meal pattern requirements, and required nutrient standards have been met.
21. Follow required procurement practices under 7 CFR §3016. Maintain documentation of all procedures (procurement plan), price quotes, bids, and contracts.

By accepting this assurance, the program applicant agrees to compile data, maintain records, and submit reports as required, to permit effective enforcement of the nondiscrimination laws and permit authorized USDA personnel during hours of program operation to review such records, books, and accounts as needed to ascertain compliance with the nondiscrimination laws. If there are any violations of this assurance, the USDA FNS shall have the right to seek judicial enforcement of this assurance. This assurance is binding on the Program applicant, its successors, transferees, and assignees as long as it receives assistance or retains possession of any assistance from USDA. The person or persons whose signatures appear below are authorized to sign this assurance on behalf of the Program applicant.

All income from the sale of food within the food service area during meal periods must accrue to the benefit of the nonprofit CNP.
27. Restrict foods of minimal nutritional value from being sold in the cafeteria during the meal period.
28. Maintain files of currently approved and denied free and reduced-price applications, respectively. If applications are maintained at the School Food Authority level, they shall be readily retrievable by school.
