### 5.1 PROGRESS PAYMENTS

**5.1.1** The Contractor shall follow the current Rules and Procedures established by the Construction and Properties Department of the Division of Capital Assets Management, Office of Management and Enterprise Services, State of Oklahoma to ensure compliance with state statutes.

**5.1.3** The period covered by each Application for Payment shall be one calendar month ending on the last day of the month or as follows: *N/A*

**5.1.7** The progress payment amount determined in accordance with Subparagraph 5.1.6 shall be further modified under the following circumstances:

.1 Add, upon Substantial Completion of the Work, a sum sufficient to increase the total payments to the full amount of the Contract Sum, less such amounts as the Consultant and Owner shall determine for incomplete Work, retainage applicable to such work and unsettled claims; and (stat other requirements if any).

.2 Add, if final completion of the Work is thereafter materially delayed through no fault of the Contractor, any additional amounts payable in accordance with Subparagraph 9.10.3 of CAP Document A201-General Conditions.
