ORDER

This matter comes before the Public Employees Relations Board upon the joint representation of both parties, the City of Moore and the American Federation of State, County and Municipal Employees, that they have reached an agreement regarding positions to be included in the appropriate bargaining unit.

The American Federation of State, County and Municipal Employees was certified as the exclusive bargaining representative for the public employees of the City of Moore on 10th day of August, 2006. At the time of the certification, the parties were in dispute about whether the positions of "Building Official" and "Public Safety Dispatch Supervisor", on the City's list of employees, should be included in the bargaining unit.

After discussion and negotiation, the parties have come to agreement. The position of "Building Official" will be in the bargaining unit. The position of "Public Safety Dispatch Supervisor" will not be in the bargaining unit.

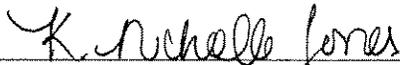

THEREFORE, it is the Order of the Board, that the position of "Building Official" will be included in the bargaining unit; the position of "Public Safety Dispatch Supervisor" will not be in the bargaining unit.
