3:30 Teams and Monitoring

About the Blue Thumb Training.....

Blue Thumb is a nonpoint source water pollution education program that uses volunteers to:

- ✓ monitor streams
- ✓ screen groundwater
- ✓ and educate the public about pollution prevention.

Blue Thumb is sponsored by Oklahoma's Conservation Districts and the Oklahoma Conservation Commission.

Attire:

Dress for comfort. Day One has an outdoor component—please be prepared to be in a creek. If you have waders, bring them. We have some that can be loaned. It is recommended to have a change of clothes and different shoes, and to bring a towel. Additional items you may want to bring to Blue Thumb training, especially for the field....

- ✓ Drinking water
- ✓ Hat
- ✓ Towel
- ✓ Sunscreen
- ✓ Jacket
