

Summer Fire Field Day

Tuesday July 28th

Natural
Resource
Ecology and
Management

Agenda

8:00am meet at OSURR HQ
8:30am tour season of burn plots and growing season burn sites
10:00-12:00 observe of growing season burn by members of NREM and OSURR Fire Crew (weather permitting)

For more information contact: John Weir at 405 744-5442

- Will green vegetation burn?
- Will summer burns kill native grass?
- Will summer burns kill cedars?
- Are summer fires good for livestock or wildlife?

To find out the answers to these and many other questions plan on attending the summer fire field day July 28th

Meet at the OSU Research Range Headquarters located 8 miles west of Stillwater then 2.5 miles south of Hwy 51 on Coyle Road
