For Professionals in the Field of Child Maltreatment

The Center on Child Abuse and Neglect invites all professionals in the field of child maltreatment to attend one or more of our **virtual** training events. Sponsored by Oklahoma Human Services, the Children's Justice Act Task Force, and the Center on Child Abuse and Neglect, these trainings are free of charge and focus on topics identified through a survey distributed to child maltreatment professionals across the state. **CEU's will be provided for these trainings, including for CLEET, LPC's and LMFT's, attorneys, psychology and social work.** Enrollment for the first training is currently open and can be accessed via the below link. Enrollment for future trainings will open as the dates approach.

Based on survey results, the topics covered include (1) Domestic Violence, (2) Problematic Sexual Behavior, (3) Investigation of Sexual Abuse, and (4) Drug Abuse and Child Maltreatment. Each training will be held virtually (via Zoom), from 9:00 am – 4:00 pm, with a 1 hour break for lunch and additional breaks in the morning and afternoon.

Attendees are welcome to register for multiple events.
