State of Oklahoma

Office of Management and Enterprise Services

AMENDMENT TO
STATE OF OKLAHOMA CONTRACT WITH FENSCO, Inc.
RESULTING FROM SOLICITATION NO. SW750A

This AMENDMENT is an Amendment to the Contract awarded to FENSCO INC. in connection with Solicitation No. SW750A ("Solicitation") and is effective 10-4, 2018.

Purpose

Current pricing of steel as a result of tariff issues have caused the vendor to be unable to supply the State with the necessary contracted goods. As a result, the vendor has requested a price increase change to the original contract price and a temporary price increase of 18 percent (18%) is being accepted by the parties.

This 18% price increase is tied to the Bureau of Labors' Producer Price Index (PPI). The parties also agree this price increase shall be reviewed in every ninety (90) days during the term of the contract which may result in the contract being further adjusted as per the above mentioned PPI.
