Instructions: OMES Central Purchasing is requesting to add the followng term to the Special Provisions section of Solicitation 0900000377-Rebid. If the vendor approves adding the language, you must mark "Approved" and sign and date for modification to be valid.

B.15.2. If the base price of a vehicle increases due to change in equipment or emissions, the dealer may request an increase in the base price of the vehicle by the amount of the price increase. A letter from the manufacturer documenting the change and the amount of the change must be provided to the Central Purchasing Contracting Officer for approval. These changes can be requested one time per year, and must be submitted at least thirty (30) days in advance of the Contract Period Ending Date. The Central Purchasing Contracting Officer has thirty (30) days from the receipt of the request to approve and post a price increase. All price increases are subject to the approval of the OMES-CP Contracting Officer.
