RE: Letter of Justification

Dear Mrs. Parks,

Prosegur Security Services has attached a wage justification for the rate at which Armed officers are paid on the statewide contract of Oklahoma. Most Armed officers make well over **\$20** dollars an hour in the State of Oklahoma. At a previous Bill Rate of **\$19.48** an hour it has become extremely difficult to pay the wage rate for our officers in an economy where the average gas price is (\$4.50) and inflation has taken the price of groceries, clothing, and wholesale goods up more than a three dollar average. We are asking that the Bill Rate be changed to the Statewide contracts to: **\$22.48 an hour.**

We appreciate your business and have enjoyed our relationship. I look forward to working with you in the new contract year.

If you have any questions or need anything at all, please let me know.

Sincerely,

Alexander S. Edwards  
  
Southwest Regional Operations Director
