### SW195 TRAINING COMMITMENT

VAN KEPPEL will perform all training as needed by customer on all models purchased. This is normally a one day on site training session spent with crew using machine. This can be extended to a 3 day on site visit with the more complex units. All training will be conducted by a Van Keppel Asphalt Product Specialist or a Factory Trainer from the manufacturer of the equipment.

Van Keppel also will give yearly refresher training as requested from the owners of equipment at no charge.

Van Keppel will specifically hold training each year in either Tulsa or OKC on the Etnyre products including distributors and Chip Spreaders conducted by the factory trainer. This will be both power point class room and hands on with equipment
