Dear Awarded supplier,

This letter is to notify you that your Contract with the State of Oklahoma SW1006C is being auto renewed annually for the remainder of the contract agreement period. No annual renewal notices will be supplied. This does not change any terms and conditions of the Contract or any previously made Amendments.

Should either party not want to renew the Contract, a written termination notice should be sent at least 30 days prior to the end of the Contract term.

Substantive Amendments can still be made, including annual price sheet amendments. This process will still involve a legal review and acceptance.

Oklahoma Statewide contract SW1006C will be automatically renewed with the base agreement period commencing 9/30/2024 and ending 9/30/2026.
