BASE UNITS	LIST	END USER CONTRACT PRICE	
<b>2T1B</b> - includes: battery charger package, Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter. Dump box, 16' frame, 16" tires, release agent sprayer basket, LED lighting upgrade, LED night work lights, strobe warning lights, 3 position tool holder, hopper access step	\$39,354	\$35,418	
<b>3T1B</b> - includes: battery charger package, Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter. Dump box, 16' frame, 16" tires, release agent sprayer basket, LED lighting upgrade, LED night work lights, strobe warning lights, 3 position tool holder, hopper access step	\$41,337	\$37,203	
<b>3T2B</b> - includes: battery charger package, dual burner recycler package, Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter. Dump box, 16' frame, 16" tires, release agent sprayer basket, LED lighting upgrade, LED night work lights, strobe warning lights, 3 position tool holder, hopper access step	\$47,847	\$43,062	
<b>4T1B</b> - includes: battery charger package, Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter. Dump box, 16' frame, 16" tires, release agent sprayer basket, LED lighting upgrade, LED night work lights, strobe warning lights, 3 position tool holder, hopper access step	\$43,232	\$38,908	
<b>4T2B</b> - includes: battery charger package, dual burner recycler package, Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter. Dump box, 16' frame, 16" tires, release agent sprayer basket, LED lighting upgrade, LED night work lights, strobe warning lights, 3 position tool holder, hopper access step	\$49,742	\$44,768	
<b>6T2B</b> - includes: battery charger package, dual burner recycling package, Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter. Dump box, 18' frame, 17.5" tires, release agent sprayer basket, LED lighting upgrade, LED night work lights, strobe warning lights, 3 position tool holder, hopper access step	\$73,051	\$65,745	
<b>2T1B COMPACTION</b> -base unit plus: 24"x24" compactor basket and Hoist with 12v winch	\$44,463	\$40,017	
<b>3T1B COMPACTION</b> -base unit plus: 24"x24" compactor basket and Hoist with 12v winch	\$46,446	\$41,801	
<b>3T2B COMPACTION</b> -base unit plus: 24"x24" compactor basket and Hoist with 12v winch	\$52,957	\$47,661	
<b>4T1B COMPACTION</b> -base unit plus: 24"x24" compactor basket and Hoist with 12v winch	\$48,341	\$43,507	
<b>4T2B COMPACTION</b> -base unit plus: 24"x24" compactor basket and Hoist with 12v winch	\$54,852	\$49,366	
<b>6T2B COMPACTION</b> -base unit plus: 24"x24" compactor basket and Hoist with 12v winch	\$78,160	\$70,344	
<b>2T1B TACK</b> -base unit plus: 30 gallon heated/insulated tack tank, rejuvenator spray system with hose reel	\$51,737	\$46,563	
<b>3T1B TACK</b> -base unit plus: 30 gallon heated/insulated tack tank, rejuvenator spray system with hose reel	\$53,720	\$48,348	
<b>3T2B TACK</b> -base unit plus: 30 gallon heated/insulated tack tank, rejuvenator spray system with hose reel	\$60,230	\$54,207	
<b>4T1B TACK</b> -base unit plus: 30 gallon heated/insulated tack tank, rejuvenator spray system with hose reel	\$55,615	\$50,053	
<b>4T2B TACK</b> -base unit plus: 30 gallon heated/insulated tack tank, rejuvenator spray system with hose reel	\$62,125	\$55,913	
<b>6T2B TACK</b> -base unit plus: 30 gallon heated/insulated tack tank, rejuvenator spray system with hose reel	\$85,434	\$76,890	
<b>2T1B COMBO</b> - base plus compaction plus tack	\$56,846	\$51,162	
<b>3T1B COMBO</b> - base plus compaction plus tack	\$58,829	\$52,946	
<b>3T2B COMBO</b> - base plus compaction plus tack	\$65,340	\$58,806	
<b>4T1B COMBO</b> - base plus compaction plus tack	\$60,724	\$54,652	
<b>4T2B COMBO</b> - base plus compaction plus tack	\$67,235	\$60,511	
<b>6T2B COMBO</b> - base plus compaction plus tack	\$90,543	\$81,489	

## OPTIONS

	LIST	END USERS CONTRACT PRICE
<b>2 Ton Trailer</b> - 12-volt battery, single diesel or vapor draw propane burner, one piece ceramic combustion chamber, electric brakes with safety breakaway, single axle w/ tubular steel frame - 7,000 lb GVWR, 16" tires, manual loading and unloading doors, battery charger package, limited options, 16' frame, 2 red and 1 amber light per side. Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter	\$26,124	\$23,512
<b>3 Ton Trailer</b> - 12-volt battery, single diesel or vapor draw propane burner, one piece ceramic combustion chamber, electric brakes with safety breakaway, tandem axle w/ tubular steel frame - 14,000 lb GVWR, 16" tires, manual loading and unloading doors, battery charger package, 16' frame, 2 red and 1 amber light per side. Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter.	\$31,560	\$28,404
<b>4 Ton Trailer</b> - 12-volt battery, single diesel or vapor draw propane burner, one piece ceramic combustion chamber, electric brakes with safety breakaway, tandem axle w/ tubular steel frame - 14,000 lb GVWR, 16" tires, manual loading and unloading doors, battery charger package, 16' frame, 2 red and 1 amber light per side. Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter.	\$34,024	\$30,622
<b>6 Ton Trailer</b> - 12-volt battery, diesel or vapor draw propane heat source, dual burner recycling package, dump box,VIP, one piece ceramic combustion chamber, electric brakes with safety breakaway, tandem torsion axle w/ tubular steel frame - 20,000 lb GVWR, 17.5" tires, 18' frame, manual bifold loading doors, manual unloading door, battery charger package, 2 red and 1 amber light per side. Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter.	\$71,156	\$64,041
oil jacketed hopper (2 to 4 tons)	\$5,660	\$5,094
tandem axle frame	\$5,317	\$4,785
dump box	\$7,979	\$7,181
Dump Box Power Up & Power Down Hydraulic Capability	\$982	\$884
Dual burner recycler package (diesel or propane)	\$6,753	\$6,077
electric overnight heat - 110V OR 220V system	\$3,729	\$3,356
short frame -14'	\$1,219	\$1,097
extended frame 2 ft - total frame length 18'	\$2,848	\$2,564
extended frame 4 ft - total frame length 20'	\$4,669	\$4,203
Tandem torsion axles	\$1,800	\$1,620
surge brakes	\$1,902	\$1,712
<b>Slip-Ins</b>		

	LIST	END USERS CONTRACT PRICE
<b>2 Ton Roadway</b> - battery charger, single diesel burner, one piece ceramic combustion chamber, manual doors, fork pockets, limited options. Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter - Hopper has longer/lower profile.	\$28,253	\$25,428
<b>2 Ton Slip-in</b> - 12-volt battery, single diesel burner, one piece ceramic combustion chamber, hydraulic loading and unloading doors, shoveling apron, fork pockets, battery charger package- limited options. Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter.	\$29,740	\$26,766
<b>3 Ton Slip-in</b> - 12-volt battery, single diesel burner or vapor draw propane burner, one piece ceramic combustion chamber, hydraulic loading and unloading doors, shoveling apron, fork pockets, battery charger package. Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter.	\$34,066	\$30,660
<b>4 Ton Slip-in</b> - 12-volt battery, single diesel burner or vapor draw propane burner, one piece ceramic combustion chamber, hydraulic loading and unloading doors, shoveling apron, fork pockets, battery charger package. Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter.	\$35,021	\$31,519
<b>5 Ton Slip-in</b> - 12-volt battery, single diesel burner or vapor draw propane burner, one piece ceramic combustion chamber, hydraulic loading and unloading doors, shoveling apron, fork pockets, battery charger package. Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter.	\$44,338	\$39,904
<b>6 Ton Slip-in</b> - 12-volt battery, diesel burner or vapor draw propane burner, dual burner recycling package, one piece ceramic combustion chamber, hydraulic loading and unloading doors, shoveling apron, fork pockets, battery charger package. Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter	\$57,659	\$51,893
<b>8 Ton Slip-in</b> - 12-volt battery, diesel burner or vapor draw propane burner, dual burner recycling package, one piece ceramic combustion chamber, hydraulic bifold loading doors, hydraulic unloading door, shoveling apron, fork pockets, battery charger package. Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter.	\$79,955	\$71,959
<b>10 Ton Slip-in</b> - 12-volt battery, dual diesel burner recycling package, one piece ceramic combustion chamber, hydraulic bifold loading doors, hydraulic unloading door, shoveling apron, fork pockets, battery charger package. Smart controller package includes: voltmeter, VIP, fuel gauge, 7 day timer, temperature gauge and hour meter.	\$126,219	\$113,597
Pump for on-board hydraulics	\$3,193	\$2,873

	LIST	END USERS CONTRACT PRICE
Self dumping truck mount chassis	\$9,603	\$8,643
two red stop/tail/turn and 1 amber light per side	\$341	\$307
hook lift	\$9,693	\$8,723
<b>Lighting Options</b>		
night work lights (LED)	\$578	\$520
arrow board LED	\$2,229	\$2,007
arrow stick LED	\$1,734	\$1,560
backup lights	\$336	\$302
warning strobe (rotating beacon)	\$628	\$565
<b>Tires</b>		
16" spare tire on wheel	\$402	\$362
17.5" Spare tire on wheel	\$813	\$731
spare tire holder	\$453	\$408
<b>Tack Tank Options</b>		
15 Gallon heated oil jacketed tack tank	\$8,404	\$7,563
15 gallon heated/insulated	\$5,102	\$4,592
15 gallon non-heated/non-insulated	\$2,748	\$2,473
30 Gallon heated Oil-Jacketed tack tank	\$8,906	\$8,015
30 gallon heated/insulated	\$6,049	\$5,445
30-Gallon non-heated/non-insulated	\$2,076	\$1,869
Rejuvenator Spray System - 5.5 HP Motor	\$5,295	\$4,765
Rejuv spray system hose reel	\$1,039	\$935
<b>Compaction Equipment and Mounting Options</b>		
hoist with 12-volt winch	\$4,682	\$4,214
bomag bvp18/45-2w	\$4,423	\$3,981
plate compactor basket (24"x24")	\$427	\$385
plate compactor basket (30"x30")	\$617	\$555
Hydraulic Plate Compactor Basket	\$5,409	\$4,868
<b>Other Equipment Options</b>		
2ft trailer hitch	\$268	\$242
3ft trailer hitch	\$318	\$286
5lb extinguisher	\$318	\$286
10lb extinguisher	\$512	\$460
backup alarm	\$320	\$288
bifold loading doors	\$1,891	\$1,701
cold weather package	\$2,339	\$2,105
custom color match	\$721	\$649
document holder	\$155	\$139
emergency stop button	\$536	\$482
front and rear hopper extensions	\$682	\$614
hopper access step	\$336	\$302
Hydraulic Loading Doors	\$3,184	\$2,866
Hydraulic Unloading Door	\$2,328	\$2,096
loading door gas assist shocks	\$545	\$491
