

List Price List Dropbox on Casco website

Same as the last bid, Casco has a link at the bottom of our public website that all customers has access to which hosts a dropbox with list price lists for all of our product offerings. The folders are in correlation to the OMES categories. Discounts are also show for each products in the name of every price list. This allows for csutomers to know exactly what discount and what price we can offer for all of our products.
