### **Krueger International Contract Highlights**

- At Krueger International (**KI**), we believe knowing our customers helps us serve you better. So we listen, observe and develop an understanding of your unique needs. Nothing gives us more satisfaction than helping you make smart furniture decisions.
- Offering a national contract to give you greater purchasing power. Through nationally leveraged pricing, this purchasing agreement may satisfy your need to go out to BID.
- Simplifying the complex. By selecting from an extensive list of products and services that fit your organization's needs, you can save hundreds of hours and significantly streamline your purchasing process.
- Offering greater purchasing control by allowing you to purchase directly from us or through a dealer partner.
- Products are tested to meet the industry's top design, safety and sustainability standards.
- Providing an industry-leading warranty – lifetime for many – so you not only get the best products, you also get the peace of mind that comes from relying on the trusted expertise of KI.

### **Who is Krueger International (KI)?**

The KI folding chair symbolizes a long legacy of listening to our customers. Our insightful ability to solve problems through product design and space planning concepts has made us a respected leader in manufacturing furniture solutions – products that skillfully support the success of customers in the education and state/local markets.

Today, we've grown well beyond our folding chair origins and offer a broad portfolio ranging from seating and tables to architectural walls and panel systems. Our award-winning innovations reflect a desire to meet your objectives, be your go-to resource and build an enduring relationship with you.

This foundation and a strong market understanding is why KI customers throughout the world continue to rely on our trusted expertise to create solutions that fit their environments. That's why we say we offer far more than furniture...we're Furnishing Knowledge.
