Who is Meteor Education?

Meteor Education is the leader in the design and delivery of collaborative, flexible learning environments that accelerate student engagement. As part of our full-service approach, Meteor's local teams, educator experts and design specialists partner closely with each school district to create social classrooms and other custom spaces that empower educators to develop future-ready students. We provide training to teachers to help maximize the positive effect of each environment and tools so districts can measure the impact on student learning and the overall value provided to their community. Meteor has helped thousands of schools improve their learning settings over the past 30 years. In 2023, we partnered with over 1,000 districts across the US to impact the educational experience of more than 185,000 students.
