Who is ODP Business Solutions?

As Office Depot Business Solutions Division, we've always worked closely with our customers to deliver products and services that make an impact on your bottom line. In May 2022, we reemerged as a B2B-focused organization with a new name – ODP Business Solutions – to better reflect that close collaboration. We're evolving, because we know the landscape of work is evolving – and this evolution will allow us to be more agile, more flexible, and more innovative in how we focus on businesses like yours — all while bringing over 30 years of knowledge and experience to the table.
