

# TITAN

## PROFESSIONAL RESOURCES

*People. Connections. Relationships.*

### WHO WE ARE

**Titan Professional Resources** is an Oklahoma-based recruiting and staffing firm with a team that specializes in placing IT professionals. Our goal is to provide a professional customer and candidate-focused experience while leveraging our staffing and recruiting knowledge to provide the BEST results.

### Our relationships are what set us apart

We are dedicated to Information Technology in OKC and to improving the connection between the best talent and your business. We provide a comprehensive recruiting solution that provides Clients the tools to identify their most important asset — Employees.

The Titan Professional Resources team has over 45 years of staffing and recruiting experience in the OKC market. We understand THIS CITY, the market and the economy.

We live here and work here, and we know that our reputation is on the line.

Our team has the skills and expertise to identify, qualify and bring the right talent to your doorstep.
