

ROVER UNLEASHED

Tips and Tricks

The Field Services staff of the Oklahoma State Department of Health will begin hosting training sessions for ROVER users. The sessions for funeral facilities will be open to Funeral Directors and/or their ROVER data entry staff.

The goal of the sessions will be to offer training, address areas causing confusion, or just to answer various questions you might have with the ROVER system.

You can come to as many sessions as you want – come to all if you wish! Please send an email to us prior to the session so we will know how many to expect – seating is somewhat limited. AskROVER@health.ok.gov
