ODMHSAS LAUNCHES FACEBOOK AND TWITTER ACCOUNTS

The Oklahoma Department of Mental Health and Substance Abuse Services launched both Facebook and Twitter accounts this week, Monday, January 11, 2010. The department hopes that engaging in these social networking mediums, it can more effectively reach its publics concerning mental health and substance abuse service programs and updates.

The Facebook page will feature weekly department updates as well as basic information such as the new Url for the web site, the physical address and phone number. In order to access the department's Facebook page, log into your Facebook account and search for Oklahoma Department of Mental Health and Substance Abuse Services. After arriving on the page, click "Become a Fan" in the top right corner. This will allow you to receive all Facebook updates made by ODMHSAS.

The Twitter account will feature news and other interesting information regarding ODMHSAS, as well as departmental updates. To access the Twitter account, log into your Twitter account and click on "Find People" in the top right corner; click in the search box and type "ODMHSASinfo." Upon finding the account, click "follow ODMHSASinfo."
