

## HEALTH HOME RISK CATEGORIES

Level of Intensity	Minimum Monthly Requirements
<p><b>G9002 - Adult, low/moderate intensity</b></p> <p><b>Moderate Intensity:</b> (Priority) The comprehensive assessment (See 450:17-5-151 or 450:27-9-12) indicates the consumer has significant risk factors which include:</p> <ul style="list-style-type: none"> <li>• Probable risk for adverse events (e.g., death, disability, inpatient or nursing home admission);</li> <li>• Lack of or inadequate social/family/housing support;</li> <li>• Lack of or inadequate connectivity with healthcare system;</li> <li>• Non-adherence to treatments or medication(s) or difficulty managing medications;</li> <li>• Recent release from incarceration or psychiatric hospitalization;</li> <li>• Deficits in activities of daily living such as dressing or eating;</li> <li>• Learning or cognition issues</li> </ul> <p><b>Low Intensity</b> – The comprehensive assessment indicates the consumer has low resource use; may have a very high prevalence of modifiable risk factors such as tobacco use, lack of physical activity, and poor nutrition.</p>	<p>At least one hour of qualified Health Home services must be provided prior to submitting a G9002 claim. At a minimum there should be a face-to-face contact every other month or once a quarter. Staff ratio at least 1:50.</p> <p>Health Home providers are providing a population-based service to Health Home enrollees. A patient “touch” may not occur every month, depending on the Integrated Care Plan (ICP) and the needs of the consumer.</p> <p>Monitoring EHR and scanning for gaps in care would count toward the minimum requirement for the member with an open, active integrated care plan.</p>
<p><b>G9005 – Adult, high intensity</b></p>	<p>A minimum of three contacts per week, with at least one face to face contact per week. Staff ratio at least 1:10.</p>
<p><b>G9009 - Children, Service Coordination Intensity</b></p>	<p>A minimum of 6 hours service contact per month to include a minimum of bi-weekly face- to-face services with a caseload of 1:20 for the care coordinator.</p>
<p><b>G9010 – Children, Wraparound Intensity</b></p>	<p>A minimum of 12 hours of service contact per month, to include a minimum of weekly face-to-face services with a caseload of 1:10 for the care coordinator.</p>
