

2nd Annual Motorcycle Safety Day

Oklahoma State Capitol, South Plaza

Tuesday, May 5th, 2015

May is National Motorcycle Safety Awareness Month and this is the Second Annual Motorcycle Safety Day at the Oklahoma State Capitol. Spring in Oklahoma is a joyous time, when we can put the heavy leathers away, bring the bikes out of the garage, and get our knees in the breeze. For us, that is reason enough to celebrate. Let's do it together on the steps of our beautiful State Capitol! The fact is that we have people from the Governor's office, the Legislature, the Dept. of Public Safety, the Oklahoma Highway Safety Office, the Highway Patrol, various local police departments, state motorcycle publications, ABATE of Oklahoma, Sooner State ABATE, the Downed Bikers Association, and etc., all working together for the common goal of safe motorcycle riding. Join us as we celebrate the success of our education and training programs and help us continue that success by being engaged in the process of spreading awareness.

We challenge you to join us at the State Capitol in order to raise awareness of the importance of motorcycle safety. Bring a non-riding friend or family member so they too can show their support for friends and family who ride. Together, we the people of this great state can achieve our goal of making motorcycling safer. Come celebrate with us at the Capitol and do your part to help raise awareness!

Join Us

On the South Plaza of
The Oklahoma State Capitol
From 11:00am—2:00pm
Tuesday, May 5th, 2015
