Motorcycle?

Yes.

Need license endorsement?

Yes.

More prepared, competent rider?

Yes.

**A chance of this happening
without endorsement?**

Yes.

Motorcycles are inexpensive to operate, fun to ride and easy to park. Unfortunately, many riders never learn the critical skills needed to ride safely. Motorcycling requires skill, concentration and reasonable precautions. Although it is possible to ride a motorcycle on your own, trial and error is a tough teacher of motorcycling skills. Safety gear is always recommended.

TRAINING ADVANTAGES

WAIVER OF SKILLS TEST

The motorcycle skills test, ordinarily required for an M endorsement, may be waived if a student successfully completes an approved Basic Rider Course at an Oklahoma Motorcycle Safety Foundation training site. To be eligible for the motorcycle road test waiver, you must also possess a current and valid Oklahoma driver license.
