SUBJECT: Revised FY2006 Annual Compensation Report

The FY2006 Annual Compensation Report incorrectly reported the salary of the Director of the Will Rogers Memorial Commission in the analysis of the proposed agency director pay ranges as shown on page 67. The correct salary is \$75,244.

This change does not affect the overall cost of implementing our recommendation to include the remaining 66 appropriated agency directors in the salary structure currently used for the nonappropriated agency directors.

The corrected report is available on the OPM web site at:
