2011 State Charitable Campaign

WHAT IS THE OKLAHOMA STATE CHARITABLE CAMPAIGN?

The Oklahoma State Charitable Campaign (SCC) is an annual, unified fundraising effort that provides state employees with the opportunity to make donations to their employees with the opportunity to make donations to their favorite charitable organizations through the convenience of payroll deduction or one-time gifts. The SCC is governed by the Oversight Committee for State employee Charitable Contributions (OCSECC), which is comprised of seven state employee appointees.

HOW DO I GIVE?

During the annual campaign, all state employees have the opportunity to make charitable contributions via a provided pledge card. All donations, large or small, are welcomed and greatly appreciated. We encourage you to consider the many needs in your area and make the most generous gift possible. Through payroll deductions, employees may divide the annual contribution into smaller, manageable amounts which are deducted each pay period during the coming calendar year. One dollar per pay period is the minimum deduction for payroll deductions. While payroll deduction is the preferred method, contributions may also be made by check or cash.

WHO CAN I GIVE TO?

This charity guide lists all the eligible charitable federations. Through the SCC you may designate your gift to federations or member charities by indicating choices on the pledge card. Each federation and charity is listed separately, with an assigned four-digit charity code (e.g. 1234) that must be used when making a selection to ensure that your contribution reaches the charity or charities you wish to support.

INSTRUCTIONS FOR COMPLETING THE STATE EMPLOYEE PLEDGE FORM

Please read the pledge form carefully before you complete it. Your form must be signed to authorize payroll deduction OR agency designations OR name release for recognition of your gift or letter of acknowledgement.

If you choose payroll deduction, put a check mark in the box before the amount you wish deducted from your paycheck each month. Regardless of your method of pay **keep the yellow copy for your records then return the white, pink and green copies to your Campaign Coordinator.** If you are giving cash or check attach it to your pledge card.

AGENCY DESIGNATIONS:

If you want to direct your contribution to specific agencies (not more than two), write the corresponding code number for these agencies on the pledge form (you'll find them listed inside the brochure). Remember to indicate the amount in dollars each agency you choose is to receive, even if you are choosing only one agency to receive all of your contribution.

Thank you for building a stronger community through your gift to the SCC. For more SCC information, visit www.okscc.org or for Campaign assistance, contact:
