RE: Federal Tax Table Changes

Due to the Jobs and Growth Tax Reconciliation Act of 2003, new withholding tax tables have been established to incorporate the lower tax rates for employers to use when figuring the federal income tax to withhold from employees' wages.

Effective July 1, 2003, the OPM Agency Payroll System tax withholding tables will be modified to incorporate the above changes.

All payrolls run on or after July 1, 2003, will utilize the modified tax tables.
