7th Annual Youth World Bowfishing Championships and Porter Peach Festival

Thank you to all of the volunteers that joined us for the 7th Annual Youth World Bowfishing Championship and Porter peach festival. We provided the bowfishing championship with tents and water rescue stand by. At the Porter peach festival we provided generators, light ran generators and a

cooling station. We handed out safety brochures , water, and recruited new volunteers for our volunteer program. Only 1 heat related emergency was reported at the peach festival. This has decreased from 15 heat related emergencies last year. Great Job Guys!
