Governor Fallin to Deliver Keynote Address at Educational Conference of Workers' Compensation Commission

(Oklahoma City) The Oklahoma Workers' Compensation Commission (WCC) is honored to announce Governor Mary Fallin as a special guest speaker at the 2015 Annual Educational Conference of the Workers' Compensation Commission. The conference will take place October 1-2 at the Embassy Suites Hotel and Conference Center in Norman. More than 300 people have pre-registered for the event and more are expected to attend. Oklahoma physicians, as well as insurance and legal professionals should not miss this opportunity to gain a greater understanding of the new process.

The conference also features guest speakers State Representatives Leslie Osborn and Mark McCullough who will provide an update about proposed workers' compensation legislation.

"Governor Fallin has been a strong supporter of our mission to see that the injured employee receives prompt, quality medical care, and is assisted in returning to work as soon as medically proper," said Bob Gilliland, WCC Chairman. "This year's conference will provide valuable resources and information to help medical and legal professionals work successfully through the new system."

Additional information regarding times, venue, and registration can be found on the agency's website at <http://www.wcc.ok.gov/wcc>.
